Awarded Consultant Roughton International Limited
A2 Omega Park, Electron Way
Chandlers Ford, Hampshire
SO53 4SE United Kingdom
Phone: + 44 (0) 23 8027 8600

Contract Value: EUR 3.142.500 and GBP 812.000

Signing date January 20th, 2017

Duration of the contract: 60 months

Scope of Contract: The scope of the consultancy services relates to the appointment of a Project Management Consultant to provide assistance to the SRA for project management under Component A - Rehabilitation and Maintenance of Local Road Network; institutional reform and strengthening under Component B, and capacity building and training for both Components A and B.

The Services will be carried out under the following 3 tasks:
Task 1: Project Management
Task 2. Institutional Strengthening
Task 3 Training

Task 1: Project Management

The aim of the consultancy services for this task is to assist the SRA to identify, prepare, procure and implement rehabilitation/improvement projects for at least 300 km of Local Roads in the Development Region Centre and the management of Component A.

Task 2. Institutional Strengthening

This component involves the reform of local roads management in Moldova and strengthening the capacity of the SRA and the LPA to manage the local road network. It includes support in roads and financial management to ensure that monies are allocated appropriately among local roads and that suitable reporting mechanisms are put in place to assess the effectiveness of this spending.

Task 3 Training

The Consultant's scope of work includes the provision of specific training for the Project. In the general training activities will include: (a) Institutional & Operational Analysis (b) Training Needs/Experience Gap Analysis (c) Development of Training Programmes for SRA and LPA.
