JV between OBERMEYER Hellas Ltd. (Greece), OBERMEYER Planen + Beraten GmbH (Germany) and ADT – OMEGA S.A. (Greece).

Address: 56, 3rd Septemvriou Street, 104 33 Athens, Greece

Scope of Works: The Consultant has the task to conduct consulting services („the Services”) which shall be implemented in two separate parts as follows:

- a) Design Assignment
- b) Author Supervision Assignment

a) Design Assignment

- To carry out field surveys, investigations and tests;
- To carry out community consultations during the design phase;
- To prepare detailed design and Construction Drawings;
- To Assist the Client to obtain the verification of design from the “Moldovan State Expertise and Verification Service for Design Projects and Construction”;
- To prepare estimates of quantities and cost;
- To prepare an Environmental Management Plan and Social Safeguard documents in accordance with the World Bank safeguard policies;
- To prepare Bidding Documents including General and Particular Conditions of Contract, Drawings, Specifications, Bills of Quantities, Design Report etc.

b) Author Supervision Assignment

The Consultant will be required to further monitor compliance of construction works (to be carried out by the Civil works constructors) with verified construction drawings and to update them as necessary to reflect any changes resulting from conditions discovered on site.
